## EXPERIENCE

### **Freelance Photographer**

Natalie DeAbreu Photography | Global | Spring 2017-Present

For over 5 years, I have freelanced as a photographer for various projects that vary across styles and aesthetics. In 2021, I decided to take my skills beyond a client by client need basis and delve more into the world of conceptual studio work and visual anthropology. I am to use the camera as a tool in understanding creative cultures and accessibility.
